Striking 5-Bedroom Modern Villa with Pool & Panoramic Views - Sax, Alicante | €580,000

Discover this exceptional, architect-designed 5-bedroom, 3-bathroom villa nestled in the picturesque countryside of Sax, Alicante. Set on a private 10,100m² plot, this contemporary residence offers luxury living, incredible energy efficiency, and breathtaking views—all just minutes from town.

Key Features:

-

5 Bedrooms | 3 Bathrooms

-

12m Swimming Pool with Entertainment Area

-

Double Garage + Carport

-

20-Panel Solar System with Lithium Battery Storage with mains electric

-

High-Spec Windows with Electric Blinds & Thermal Insulation

-

Private, Fully Fenced 2,000m² Garden + 8,100m² Almond Grove

Interior:

Step into a grand double-height atrium with a dramatic "wall of windows" offering sweeping views of Sax and the surrounding mountains. The expansive open-plan living room is bathed in natural light, featuring a stylish log burner and wide sliding doors that connect effortlessly to the outdoors.

The sleek black kitchen is fitted with modern units, a filtered water system, and flows into a dining area perfect for entertaining. A separate utility room provides additional storage and functionality.

On the lower level, three generously sized double bedrooms share a full bathroom and all feature built-in wardrobes.

Upstairs, the master suite boasts three large sliding doors opening onto a wraparound terrace, offering stunning views of Sax Castle—beautifully lit at night. The master suite also includes a walk-in dressing room and private ensuite.

A few more steps lead to the fifth bedroom, which opens out to an expansive rooftop terrace—ideal for stargazing or sunbathing.

Additional Spaces:

-

Double Garage: Insulated and double-glazed, easily convertible into an additional living space or home office.

-

Outdoor Living: Covered terrace, summer kitchen, and BBQ area.

-

Entertainment Zone: By the pool, enjoy a shaded lounge with a bar and pool table.

-

Utility Building: Houses underfloor heating systems, air conditioning units, and pool controls.

Energy Efficiency:

The home features triple-insulated, smash-proof glass windows throughout, electric blinds, and a log burner that efficiently heats the entire house. A mains 3-phase electric supply powers a 20-panel solar system with lithium batteries (installed just 3 years ago), ensuring minimal utility costs.

Exterior & Grounds:

The landscaped, low-maintenance garden wraps around the home, featuring mature palm and olive trees. A high-quality fence and concrete wall enclose the immediate 2,000m² around the house, complete with an electric entrance gate. The remaining 8,700m² of flat land is planted with productive almond trees.

Location:

Tucked away for privacy but easily accessible via a tarmac road, the villa enjoys serene surroundings with friendly neighbours and majestic views—ideal for those seeking peace without isolation.

A rare opportunity to own a modern, energy-efficient luxury home in one of Alicante's most scenic regions.
