We are delighted to bring to the market this delightful 3 bedroom 2 bathroom villa on the very popular Castalla International urbanisation. Located on one of the most popular roads on the entire urbanisation, this villa will not be around for long.

With off road parking for at least 2 vehicles, a large garden with private swimming pool, roof top solarium where you can enjoy the panoramic views of the surrounding countryside and Maigmo mountain range, 3 large double bedrooms, modern fitted kitchen and much more, this villa really has it all for a permanent home or even a lock up leave holiday residence.

The villa allows you to enjoy the peace and quiet of this wonderful urbanisation as well as being only a short drive into the historic market town of Castalla, and less than 30 minutes to Alicante.

The villa is being sold partially furnished so can be moved into straight away, and you can sit back and enjoy all that this area has to offer. Viewing is highly recommended.
