This country house seems to be a real haven of peace! With its superb mountain views, it offers an idyllic setting in which to relax and enjoy nature. The two bedrooms and bathroom are perfect for accommodating a small family or friends, while the living area with open kitchen and open fire creates a warm and friendly atmosphere.

The very large veranda is a major asset, ideal for enjoying meals when the weather doesn't allow you to be outside, evenings with friends or simply relaxing and admiring the scenery.

The swimming pool, even without a filtration system, can be a great place to cool off on hot summer days, and adds a touch of leisure to your outdoor space.

The garden filled with olive trees is also an added charm, providing a Mediterranean touch and the opportunity to harvest your own olives. It can also create a peaceful and pleasant environment, perfect for recharging your batteries. The house has electricity and agricultural water.

If you're looking for a small, peaceful holiday home with a swimming pool and at an affordable budget, you absolutely must come and see this house!
